With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1954 Elk that as you look back through the pages, you will relive the happy days spent as a student at Elkhorn High.

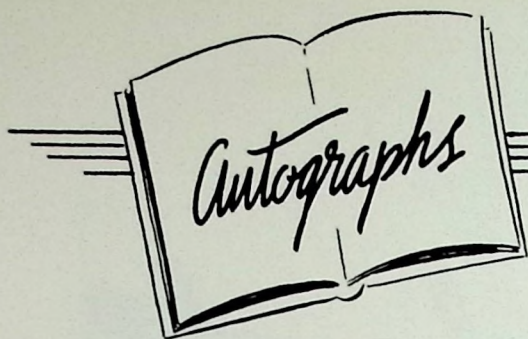

D E D I C A T I O N

To Mr. C. M. Logan, our coach, we are extremely grateful for his encouragement and enthusiasm at the times when our spirits were low. He has helped to make our schooldays enjoyable, and as a means of showing our appreciation, we dedicate to him this, The Elk of 1954.

TO THE CLASS OF 1954

These have been four happy eventful years with you young men and women of this graduating class. It has been a privilege to be your principal-to share your work, your plans, and your achievements.

May these few short years that you have lived as Elkhorn High School students prove to be a sturdy foundation for a richer, happier, more meaningful life for each of you.

Ronald Connelly
Principal

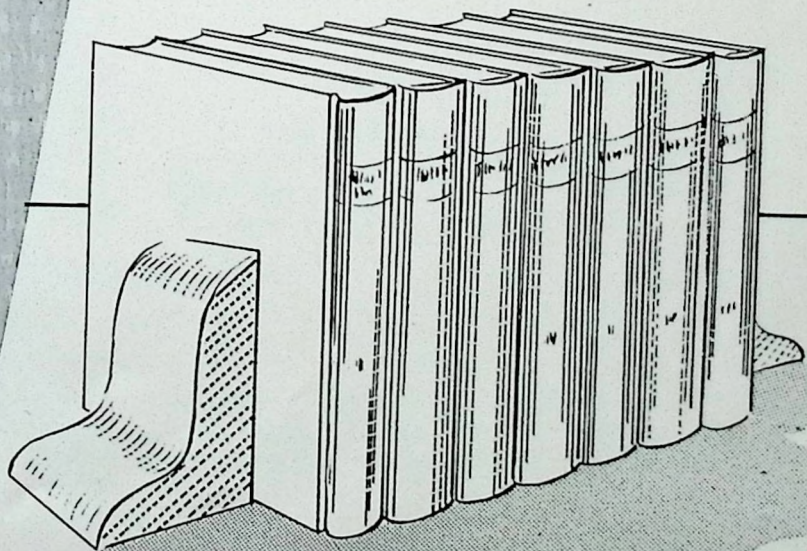

TO THE CLASS OF 1954

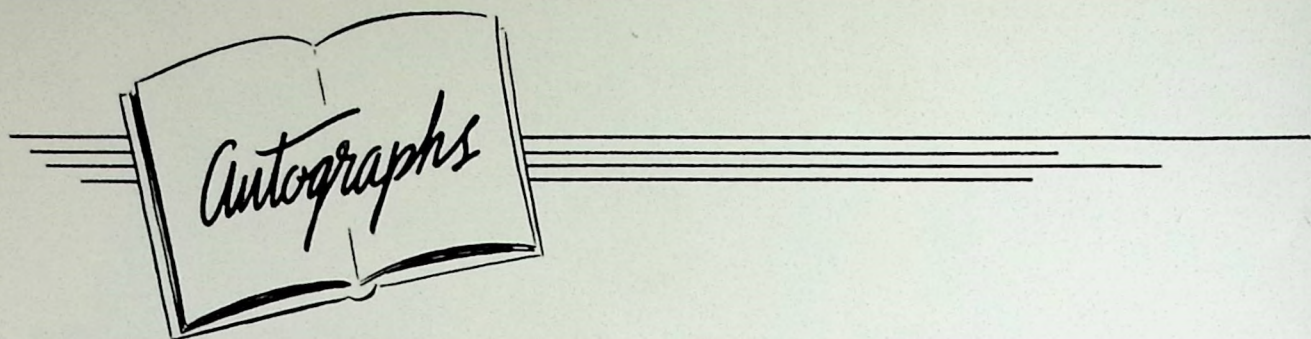

The halls and rooms at Elkhorn will seem a bit empty and lonesome without you in succeeding years. We hope you have been happy here and have learned that what the world calls "good luck" is preparation meeting opportunity. May God bless you and may you meet the dawning of each new day with this truth: "Today is the greatest gift I have."
